

MINUTES OF HUNTSBURG TOWNSHIP BOARD OF TRUSTEES MEETING
Held September 11, 2007

Chairman Seliskar called the special meeting to order at 8:45 pm with the following members present: Trustees Adams and Seliskar, Fiscal Officer Saunders and Erik Mirossay, Zoning Inspector. Resident Mike Wroblesky and John Mark from Roadhouse Music of Middlefield were attending.

The special meeting was called to review a proposal offered by John Mark of Roadhouse Music for a sound system for the park.

John presented drawings and proposals for a new sound system for the park. The proposal outlined three zones. Zone 1 would encompass the bandstand. He proposed 4 speakers to be placed around the bandstand and an amplifier to run the speakers. Zone 2 would be at the garage with two speakers and an amplifier and Zone 3 is located facing Mayfield Road with an amplifier and two speakers.

Many questions were asked and discussed. John was asked to present a new proposal for Zone 1 only adding a wireless connection to existing equipment for the garage. Fiscal Officer Saunders will pick up the new proposal on Friday. Trustees will review and perhaps make a decision on Tuesday.

There being no further business the meeting was adjourned at 8:35 pm.
